There is a Christmas tree in my living room. There is a wreath on the table. There is also a Christmas tree in my room. On this Christmas tree there are ornaments: baubles, chain, small santa and lights. Under Christmas tree there are presents.

In my room on the desk there is a small snowman. Next to the desk there is my Christmas tree.

In front of the door there are lights.

There is a big Christmas tree in front of the house. There are lights on the Christmas tree.
